Vegetation Fire Quickly Contained on San Pablo Avenue

Burns Under 1 Acre

July 1, 2010, San Rafael, CA – At 3:55 p.m. a vegetation fire started and burned just under 1 acre off of San Pablo Avenue. No structures were threatened. 13 engines, one water tender, and the San Rafael Police Department responded to the incident. The fire was contained within 30 minutes. The cause of the fire is unknown at this time.

“Quick response by the firefighters kept this fire small,” said fire chief Chris Gray, San Rafael Fire Department. “With extreme fire danger and the temperatures forecasted to increase this Holiday weekend please use caution with your outdoor activities. A reminder that all fireworks are illegal in Marin County. Please do not use them and if you suspect someone using fireworks, report them immediately by calling 9-1-1. If you are found with fireworks you will be prosecuted.”
